Walk Together Children”

Ephesians 4:3-6,15,16

November is…

National Family Caregivers Month
National Epilepsy Awareness Month
National Diabetes Month

Gun violence as a major public health epidemic because firearms are the leading cause of death for US children and adolescence. Firearms rank as the number one killer of US children and youth ages 1 - 24. Gun violence has unfortunately become the normative stat in this country claiming the lives of our children far too soon.

We must do all we can to keep our babies safe!

Honoring Five Decades of Faithful Service

Formal Invitation to Follow. Location to be Announced.

Notes from the Pastor

The Prophet Hosea invites us to plow new ground and plant righteousness and reap the blessings that devotion to God produces. The Prophet laments that God's people did not plant seeds of fidelity, but rather seeds of evil and they reaped the harvest and ate the fruit of their lies and misdirected devotion. Though we recognize that it is harvest time, may we now plow in new fields and plant the seeds of truth, peace, love, healing, and joy so that we can partner with God in bringing flourishing to all creatures and all creation. As we seek to plant good seed in good soil, our sermonic offerings will be grounded in the liturgical life our EBC Village, the larger Christian family, and the groans of the world.
