Notes from the Pastor

In a world gripped by darkness, death, and division, we affirm that the light has shone in the darkness and the darkness cannot put it out. Spiritual wickedness sitting in high places shall not diminish our joy, define our personhood, dictate our practices, destroy our faith, deter our witness, nor determine our destiny. Let us walk in the light and let our lights shine to dispel the darkness and glorify the true God of our ages past and our hope for years to come. Walk together children and don't you get weary!
